

# Videos of Life in New England FREE LOAN PROGRAM

## Members of Northeast Historic Film

Borrow from our FREE loan collection of Videos of Life in New England. You can borrow up to three videos at a time and pay only \$5 per shipment for postage. Pay by check, money order, Discover, Visa or Mastercard using the form on page 27. Also, please provide an alternate selection in case your first choice is out.

---

To join or borrow videos please call 800.639.1636, email: [nhf@oldfilm.org](mailto:nhf@oldfilm.org), write Northeast Historic Film, PO Box 900, Bucksport, ME 04416 or to save on postage, stop by our office at 85 Main Street in Bucksport. [www.oldfilm.org](http://www.oldfilm.org) and click on "Borrow" to view this catalog online.

## Public Performance

Certain videos are offered as a reference service. Where possible, public performance rights are included. Please be sure to check each video's status: PERF means *public performance rights* are included. Where there is no PERF, the video is for home use only, or face-to-face classroom instruction. We have also indicated PERF videos by bolding the title in the index. No admission may be charged for events where *Videos of Life in New England* are being shown. If you have a date in mind, call NHF at 207.469.0924 to ensure availability.

## Available Format

Please check the description of each video for available format. Titles are available in DVD or VHS. Teachers and students should note the special listing of titles available on mini-dv for student and class projects.

## Videos for Sale

Many videos are available for purchase through NHF. Call for a free catalog of Videos of Life in New England, or check out our website: [www.olderfilm.org](http://www.olderfilm.org) and click "store."

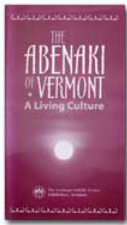

## Return Instructions

The borrower is responsible for return postage to NHF. Videos must be in the mail on their way back to NHF ten days after they are received. Videos may be returned via "USPS media mail".

# American Indians

## Abenaki of Vermont: A Living Culture

This is an intimate look at the lives of contemporary Abenaki Indians and how they stay connected to the traditions and values of their forebears. 30 minutes. VHS

## Earth Medicine

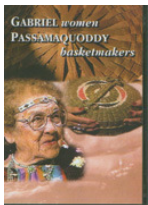

A four part series on the use of plants and trees by Little Tree, now a Vermont resident. 4 DVD's, 2 episodes per DVD. 1975. Appx. 240 minutes for the series. PERF

## The First Mainers

Passamaquoddy Indians of Pleasant Point and Indian Township. 1975. 22 minutes. VHS

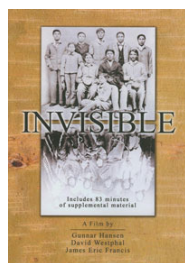

## Gabriel Women: Passamaquoddy Basketmakers

Mary Gabriel, born in 1908 on the Passamaquoddy Reservation in Indian Township, Maine, and honored as a National Heritage Fellow in 1994, tells the inspiring story of learning the centuries-old basketmaking tradition from her grandmother, and of passing the tradition on to her two daughters, Sylvia and Clare. The three women illustrate their commitment to cultural values and how they have served as mentors to others. 1999. 28 minutes. DVD

## Invisible

This film examines some of the history of the relations between the white and the Indian communities in Maine. Through individual voices, it looks at underlying reasons for the racism so deeply embedded in white American culture and how that culture continues to shape Native American reality today. DVD includes 83 minutes of supplemental interviews. 2005. 59 minutes. DVD

## Mystery of the Lost Red Paint People

Archaeology of the circumpolar region, including coastal New England. 1987. 60 minutes. VHS

## Our Dances

Penobscot Indian Island School student project demonstrates traditional and tribal dances with clay animation scenes and live action. 1997. 30 minutes. VHS

## Our Lives in Our Hands

Micmac Indian basketmaking cooperative in northern Maine. 1988. 50 minutes. DVD

## Penobscot Basketmaker—Barbara Francis

The life and basketry work of Barbara Francis, a Penobscot who lived on Indian Island, Maine. 2002. 52 minutes. DVD

## Passamaquoddy-Maliseet Language Keepers

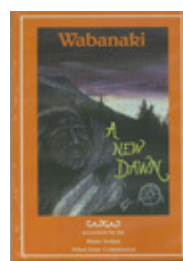

**Nuskicinuwahtipon**  
25 edited conversations recorded between 2006 and 2008 in Maine and New Brunswick, are thematically organized on 7 DVDs. They range from humorous storytelling, oral history, and personal reminiscence to conversations about everyday experiences, past and present. 2009. DVD set

## Song of the Drum: The Petroglyphs of Maine

In Maine, the Native Americans began carving images into stone ledges beginning about 3,000 years ago. These petroglyphs, probably the work of shamans, were used as metaphors of the spirit quest or to help memorize chants. Because the petroglyphs had powerful spiritual qualities, they were avoided by the uninitiated. This film presents explanations and ideas about what the images mean and how they changed as the ideas of the people who made them changed. 2004. 47 minutes. DVD

## Wabanaki: A New Dawn

Cultural survival and revival of Wabanaki of Maine and Maritime Canada. Interviews, music, dance. Produced on behalf of Maine Indian Tribal-State Commission. DVD

## The Wind Bird

Animated (claymation) student film based on Native American (Penobscot) mythology. 2001. 18 minutes. VHS

From Portland Head Light commissioned by George Washington to the present day Pemaquid Point Light museum. 1991. 30 minutes. VHS

---

---

# Boats and the Sea

---

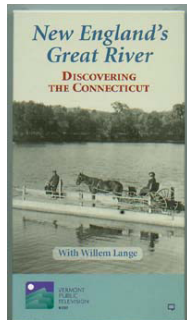

## Marine Mammals of the Gulf of Maine

Field guide to whales and seals. The Allied Whale Program at College of the Atlantic. 1991. 24 minutes. VHS

---

## New England's Great River

The Connecticut River was New England's first highway, the graceful path along which European settlers came north to build Vermont's early farms, villages and industries. Hosted by storyteller and writer Willem Lange, this fascinating video tours all 410 miles of the river and brings to life its epic story. Visit Fort No. 4, a Colonial fort town where Abenaki came to trade; tour Vermont's Old Constitution House; and see many other sites along the river, including historic covered bridges. A Vermont Public Television production. 2003. 60 minutes. VHS

## Outward Bound

A look at the Maine version of the adventure course on Hurricane Island. One of the eight students' challenges depicted here: navigate a small boat off the rocky coast of Maine safely to land by nightfall. 1989. 27 minutes. VHS

---

## Peapods of the Maine Coast

Interviews with 12 individuals who have knowledge of the Peapod. The little double-ended boats known as peapods have played an essential role in the life and history of Maine. They are thought to have originated around 1870, or earlier, around Penobscot Bay. They were the original Maine lobster boat, as fishermen could row either way, and walk up the side to haul a trap. This series of interviews commemorates the boats and captures some of the history and knowledge held by a generation who has seen them pass from working to largely recreational crafts. 85 minutes. DVD

---

## Pemaquid: Stewards by the Sea

This story of Pemaquid Peninsula on midcoast Maine is told by the place itself and the people who call it home. 59 min. DVD

---

## Penobscot Bay

Explores Maine islands, harbors and landmarks. 1994. 55 minutes. VHS

---

## Sea Captain's Port

A portrait of Searsport, Maine, located on the north end of Penobscot Bay. A guided history of Searsport and the stories of its sea captains. 1997. 45 minutes. VHS

## South: Ernest Shackleton and the Endurance Expedition: Voyage to Antarctica, 1914-1917, film 1919

Restored by the National Film and Television Archive of the British Film Institute using original nitrate materials, surviving prints and original glass slides. Restored edition 1988. 88 minutes. VHS

---

## Tales of Wood and Water

Visits to boat builders and sailors up and down the coast of Maine. 1991. 60 minutes. VHS

---

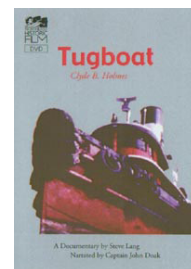

## Trap Day

A documentary about the annual midwinter ritual of setting lobster traps off Monhegan, Maine. 1977. 27 minutes. VHS

---

## Tugboat

Documentary about the *Clyde B. Holmes*, the last commercially-operated steam screw tugboat. 1978. 14 minutes. DVD

## The Ways at Wallace and Sons & The Bank Dory

Footage of boatbuilding seafaring and maritime skills. 1984. 58 minutes. VHS

---

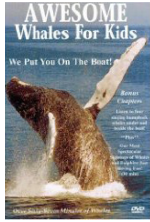

## Yachting in the 30s

Compilation of J Boat footage from various sources. 1978. 14 minutes. VHS

---

[www.oldfilm.org](http://www.oldfilm.org)

# Children

---

---

## Down East Dairyland

Produced by the Maine Dept. of Agriculture. 1972. 14 minutes. VHS PERF

---

---

## The Farming Project: Troubled Harvest

Documentary on Vermont family farms in 4 parts: Part I: The People, Part II: The Market, Part III: The Tools and Part IV: The Future. 1994. 120 minutes. VHS

---

---

## Our Farmers: Eight Years Later

In 1992, Vermont Public Television produced a 4-part program on the state of Vermont agriculture. The series covered the experiences of six farm families. Now eight years later, Our Farmers revisits these families to see what, if anything, has changed. This video explores the economic, social, and agricultural issues facing farms today. Organic farming, land trusts and agri-tourism are all discussed in this in-depth look at the human side of family farming. 60 minutes. VHS

---

---

## Giant Horses

Draft horses and their teamsters. 1993. 30 minutes. DVD

---

---

## Hap Collins of South Blue Hill, Maine

Jeff Titon's oral history interview with field footage of a lobsterman, painter and poet. 1989. 56 minutes. DVD

---

---

## A History of Kittery

---

## Schoodic: Where Sea Meets Land

This DVD is about the communities of Gouldsboro, Prospect Harbor, Corea and Winter Harbor, Maine. They all share a peninsula on the coast and an understanding of magic. It is the magic of ocean knocking against a rocky coast, or sun burning through a lingering morning fog. It is the magic found in the practical approach to living that is engendered on this coastal peninsula. As Lobsterman Dale Torrey puts it, "You can't explain it, it's just in you." 57 minutes. DVD

---

## Sins of Our Mothers

Girl who went to the Massachusetts textile mills from Fayette, Maine. 1989. 60 minutes. VHS PERF

---

## Swanton Community Video

An Orton Family Foundation Video: Tools for Community Action. Swanton, Vermont. 2001. 12 minutes. VHS

---

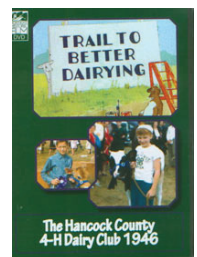

## Tales from the North Country

17 of Author Willem Lange's favorite tales, like doctoring a sick goat, finding your way in the woods and how to handle a stinky visitor in your cellar! VHS

---

## Trail to Better Dairying

In the 1940s there was a shortage of milk and quality dairy cattle in Hancock County, Maine. To remedy this, Maine's first county-wide 4-H club was born. This film was made to document this groundbreaking first year. The children show off their progress and their calves in visits to each of their homes. Their efforts are rewarded at the 1946 Blue Hill Fair and at their end-of-the-year banquet at the Trenton Lobster Pound. 44 minutes DVD

## An Unlikely Cathedral

Moosilauke, Dartmouth and the Ravine Camp 1909-1939. 1999. 31 minutes. VHS

---

## Words from Millie's Garden: The Story of Pettengill Farm

Millie Pettengill lived in an historic house overlooking the Harraseeket River in Freeport, Maine for 100 years. 2003. 50 minutes. DVD

---

## Islander

Off the coast of Maine, families have lived and worked the sea for generations. Everyone knows each other. Birthright is akin to law and men inherit their fishing territories. Eben Cole (Thomas Hildreth) continues his family's legacy of harvesting lobsters, but after causing a tragic accident at sea, Eben loses everything. After serving five years in prison he returns determined to win back the way of life he fought so hard to protect. Only now he is an outcast, his ex-wife Cheryl (Amy Jo Johnson) wants nothing to do with him and fishermen see him as a harbinger of bad luck. Only Popper (Philip Baker Hall), an old, weathered and gruff fisherman gives Eben a chance to become an islander again. 2006. 101 minutes. DVD

Grand Banks dory fishing, stop-seining mackerel and herring, and lobstering. 1996. 60 minutes. DVD

## Salmon Country

Between the late 1940s and the late 1980s Downeast Maine was world famous for its Atlantic Salmon fishing. People came from around the corner and around the world, to cast a fly to the "king of the sport fish". Fortunately Phil Harriman of Cherryfield, a visionary and dedicated salmon advocate for more than 50 years, has preserved a piece of history from the heyday of Atlantic salmon angling in Downeast Maine. Phil takes us from landlocked fishing on Tunk Lake to the crowds gathering to watch a sea-run salmon landed in downtown Cherryfield. The film truly brings you back to bygone days. DVD

## A Tale of Two Fisheries

## Number Please

### The Story of Early Telephone Operators in New Hampshire

She was at the heart of most rural communities for nearly half a century. She knew you by the sound of your voice. She could track down the doctor or police in an emergency. And sometimes she knew just a little too much about your business. Oral Historian Judith Moyer traces the history of early telephone operators from 1881 until the last one was replaced by a dial tone in 1973. 26 minutes. VHS

## Up in Flames

A fascinating look at the development of North American fire detection, communication, and fire suppression technology from the inception of the lookout tower to the weather satellite. Remarkable historical footage and photographs show the devastation of fires such as Idaho's 1910 Big Blowup and Oregon's 1933 Tillamook Burn. The impact of these catastrophic fires on the search and development of fire fighting technology is illustrated with scenes of hand tool use, fire plows, aerial tankers, and smokejumping. The multi-agency Operation Firestop in 1954 is highlighted as an example of the cooperative nature of the research and development effort. Edited and produced by Vester Dick. 29 minutes DVD

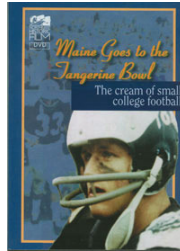

# Television

## The Cold War/Transportation/TV Commercials

Compilation tape from the Bangor Historical Society / WABI TV collection. 50 minutes each. VHS. PERF

## Maine Goes to the Tangerine Bowl

In 1965, the University of Maine football team competed in the Tangerine Bowl in Orlando, Florida against East Carolina. This docudrama produced and directed by George Wildey, follows the team as they practice for the game and make the trip South. To prepare, they run drills outside in the snow and workout inside with the thermostat set at 80 degrees. We see the team head to the airport and follow them through their busy week in Florida. Practices, pre-game events and halftime shows are highlighted. George Hale does the play-by-play as parts of the game are shown. The boys return to Maine to a hero's welcome. This Black Bear team remains the only one from Maine to ever compete in a bowl contest 22 minutes PLUS bonus footage! DVD

## Maine's TV Time Machine

The 1950s and early 60s in news, sports and local commercials. 1989. 34 minutes. DVD PERF

In 1947, forest fires in devastated Maine. Focuses on aftermath in southern Maine. 1947. 20 minutes. DVD PERF

## Timber is a Crop

Pulpwood harvesting in the 1940s-1950s, from the Brown Company Collection, Berlin, New Hampshire. 1940. 66 minutes. DVD PERF

## Timber on the Move

Crisp archival footage, photographs and modern reenactments document the development of log moving technology and its impact on the land. You are taken back to the river drives in colonial New Hampshire and then to the introduction of helicopter and balloon yarding in the Pacific Northwest. You see how geography played a role in the tools of the trade and the transportation of logs to the mills. See timber

harvesting, river drives, big wheels, the steam donkey engine, logging railroads, steam loaders, the Lombard log hauler, and early crawler tractors and fairlead arches. Edited and produced by Vester Dick. 34 minutes. DVD

## Timberjack: The Careful Loggers

Cut-to-length logging machinery in action. 1997. 30 minutes. color and sound. VHS PERF

## Timberjack: The First 50 Years

50 Years of logging mechanization in the forest from the horse to the walking machine, from the first skidder to the computerized harvesting machine of today. 1997. 30 minutes. VHS PERF

## Timberjack: Who's Lookin' After My Forest? ...And How's it Going?

Informative video showing how modern forestry practices can be compared to harvesting a crop of corn. 1997. 30 minutes. VHS PERF

## Wilderness and Spirit: A Mountain Called Katahdin

Documentary about Mt. Katahdin in Baxter State Park in Maine. 2002. 100 minutes. DVD

## Woodsmen and River Drivers, Another Day, Another Era

Five individuals who worked for the Machias Lumber Company. 1989. 30 minutes. DVD PERF

# Membership Information

Membership at any level is an opportunity to become involved with the preservation and enjoyment of our moving image heritage. Becoming a member or maintaining a membership in Northeast Historic Film is a terrific way for you to support our efforts as a moving image archives and cultural resource.

## Every NHF member receives these core benefits:

- Moving Image Review, the only periodical with information on northern New England film and video research, preservation, and exhibition.
- Advance notice of most screenings, events and new products.
- Two free Alamo Theatre weekend movie passes.
- Discounts on admissions to many Alamo Theatre & NHF sponsored events.
- A 15% discount on *Videos of Life in New England*.
- Free loan of more than 450 videos through the Video Loan Program.  
Each NHF member may borrow up to three videos at a time. (A \$5 shipping charge applies.)

Please join or renew an existing membership today by choosing one of the levels below and calling 800 639-1636.  
Thank you for your support.

Individual  
Price: \$35.00

Associate (Individuals)  
Price: \$100.00
